Infertility

Raw, but not hopeless. Honest.

THREE PIECES · READ TOP TO BOTTOM

WORDS AND ART BY THE ARTIST

- ◆ *A note before you start.* This series holds pregnancy loss, the long wait, and the parts of infertility most people are told to keep quiet about. Read slowly. Leave when you need to. The page will be here when you come back.

PIECE 01 · PENDING

The First Piece

*The first of the three sits here once Priscilla
sends it in.*

[Title of Piece 1]

NO. 01 / 03

STORY · PART 01

Priscilla's opening passage drops in here. Set in EB Garamond at 1.25rem with generous line-height. Reads as a survivor's letter against the deep moss background.

Hold back the **painful truth confession** portion — the closing piece isn't ready yet, so that closing passage stays unpublished for now.

PIECE 02 · PENDING

The Second Piece

The second piece sits here.

[Title of Piece 2]

NO. 02 / 03

STORY · PART 02

Continuation of the story, middle section. The full story runs across all three pieces as one continuous piece of writing, broken at natural pauses where each new image begins.

PIECE 03 · PENDING

The Third Piece

[Title of Piece 3]
NO. 03 / 03

STORY · PART 03 (CLOSING)

Final published section. Closes on a note that holds both the weight and the survival of the story. The "painful truth confession" lines stay unpublished until the closing piece is finished.

"If you've lived a version of this, you are not alone in it. You may be the reason someone else makes it through."
